

Ellerman Appointed to RBMA Payor Relations Committee

FOR IMMEDIATE RELEASE

PARSIPPANY, NJ — June 6, 2008 — One Call Medical, Inc. (OCM), the nation's single largest provider of quality diagnostic management services is pleased to announce that Steve Ellerman/Vice President, Provider Development has been appointed to serve as a member of the Radiology Business Management Association (RBMA) Payor Relations Committee. The selection of Mr. Ellerman to serve a term on this committee is indicative of OCM's interest and commitment to establishing successful and effective provider/payor arrangements. He will provide valuable insight and expertise on the healthcare challenges facing radiology provider networks in today's marketplace. Steve has also been selected as a guest presenter during the 2008 AHRA Annual Meeting this July in Denver Colorado.

The Radiology Business Management Association (RBMA), founded in 1968, is the only radiology-specific business organization of its kind in existence today. RBMA has been chartered to providing managers with information, resources, education and networking to run a successful radiology business. The organizations membership consisting of over 2,200 participants who actively manage the business of radiology includes business managers, operations managers, marketing vendors and billing service providers. RBMA is the vehicle for bringing healthcare industry professionals together to discuss issues and find solutions for challenges often found in radiology business. Industry specific topics such as the National Healthcare Reform, Deficit Reduction Act, Medicare Compliance and Payor-Provider Challenges are just a few of the subject matter areas the organization provides access to for its members.

About One Call Medical, Inc.

One Call Medical, Inc. ("OCM") is the premier provider of quality diagnostic services through its national network of credentialed providers. OCM offers provider network coverage in all major metropolitan areas for diagnostic radiology (MRI/CT) and EMGs. OCM provides ancillary specialty PPO services, and its customers include the nation's leading healthcare and worker's compensation insurers and third-party administrators, as well as self-insured employers.
